

CREATOR

31073

3 IN 1

A LEGO Creator 31073 set, featuring a red and yellow scorpion-like creature. The creature has a large, segmented body, multiple legs, and a tail. It is constructed from various LEGO bricks, including red, yellow, black, and white. The set is shown in a desert-like environment with mountains in the background. The background is a stylized illustration of a desert landscape with rolling hills, sparse green bushes, and jagged mountains under a warm, orange-hued sky. The foreground shows a sandy ground with some green patches and small, brown, spiky plants. The overall aesthetic is that of a classic LEGO advertisement.
